

ANT acquires SINOVA a new powerful combination

ANT acquires SINOVA

a new powerful combination

The acquisition of SINOVA means that ANT now has a presence worldwide, with offices in Europe, Asia Pacific and the Americas. SINOVA has offices in Hong Kong and Shanghai, providing local expertise with global insight for supporting companies investing and trading in China and Asia, as well as Chinese and Asian companies investing in Europe and the Americas.

ANT & SINOVA - global focus, local performance

A new powerful combination, bridging the gap between local insights and global focus. Dedicated professional teams create smart, flexible and tailor-made services for the clients' specific and individual needs and wishes. Local insights and intelligence, focused on global business.

ANT & SINOVA - gateway to global business

How do you get into the Asian markets, especially China? What are the risks and where are the gaps in your knowledge and expertise? ANT and SINOVA can help you manage these risks and bridge the gaps, creating a gateway for business in China and Asia. ANT and SINOVA form the gateway to China, to Europe, and to Latin America.

ANT & SINOVA – a new powerful combination... spanning the globe

André Nagelmaker

ANT – focus on intercontinental business development.

ANT Trust & Corporate Services N.V., built upon a tradition of trust since 1896, has a strong focus on global growth and international business development. We support companies in the development and management of their international networks and activities. Realising efficiencies in administration, tax and finance. Our client base includes companies from India, Russia, China, Japan, USA, Latin America, Europe and Central Europe, working in sectors such as oil, energy, capital markets and licensing: our expertise knows no boundaries. With SINOVA joining our network, we now span the globe – a worldwide presence servicing operations in all time zones. We can also offer special support for investing in China. The exchange of the experience, networks, reputation and operational intelligence between ANT and SINOVA adds value to both companies. ANT, your intercontinental business partner.

‘Through SINOVA we can offer our clients and business contacts real Chinese expertise, creating a safe gateway to China.’

Jennifer Chan

SINOVA – a proven portfolio of European companies successfully doing business in China.

SINOVA Management Consultancy Ltd. is the consultancy and corporate services provider for China, with over 20 years of experience helping businesses throughout the world grow, build their brand and gain a competitive edge globally. SINOVA has successfully helped many European companies enter the Chinese market and operate and grow their businesses there, as well as helping Chinese companies to expand into the global market. SINOVA's highly experienced, multilingual and multi-disciplinary team, coupled with its extensive network and relationships in both the public and private sectors, has made SINOVA the powerhouse fuelling the growth of many satisfied clients. The team's fields of expertise include taxation, law, banking

services, accounting, trading services and government policy, etc. This competitive edge in expertise and knowledge is backed up by the local presence in China, Hong Kong and Europe, enabling it to bridge the gap between local insights and global thinking for its clients. Its clientele comes not only from the business and private sectors, but also covers the public sector and NGOs. SINOVA, founded by Ms. Jennifer Chan, has offices in Hong Kong, Shanghai and Rotterdam.

'With the expertise of ANT, we can now support Chinese investors entering the European and Latin American markets.'
