

ANT Trust & Corporate Services N.V. is an independent, ambitious trust office with over a hundred years of experience that offers its 180 employees an exciting working environment and its clients a unique combination of services. The core competence of ANT is providing asset administration services to both national and international clients. ANT facilitates the setting up and maintenance of international tax structures and has the ambition to develop into a multi-jurisdiction player in the field of the international fiscal trust. In addition, ANT provides specific services aimed at the capital markets, including investment giros, securitisation, investment fund custodian, employee benefit programmes and maintaining shareholders' registers of listed companies. ANT has offices in Amsterdam, Rotterdam, Brussels, Curaçao, Aruba, the British Virgin Islands, Hong Kong and Shanghai.

ANT is a leading provider of trustee and SPV services to the global structured finance industry in general and the securitization market in particular. We combine global reach through our network with a full range of integrated products to offer our clients one-stop shopping. Whether the issue is straightforward or highly structured, ANT delivers solutions to ensure smooth execution and superior ongoing administration.

For the Business Unit Capital Markets in our Amsterdam offices we are looking for a:
